COMMITMENT CARD

NEXT IS NOW

Next Is Now is a three-year generosity campaign to pave the way for the future at One Church and for generations to come. Our mission is to make room for God's kingdom to expand here on our campus and ultimately to the ends of the earth. We believe that God has called us to pick up the baton and run our leg of the race. Our prayer for this campaign is that God would provide miraculously, people would feel the joy of giving, and that this would be a defining discipleship moment for our church.

THE GOOD WORK WE'VE DONE AND ARE DOING IS MADE POSSIBLE BY YOUR GIVING.

Expanded vision requires expanded giving. You'll see below two areas of giving as we enter into this next season of building.

- **Keep Up the Good Work** indicates what you're already doing to support the mission of One Church. This includes your regular tithes and offerings.
- **Expand the Good Work** is your commitment to Next is Now over the next three years.

Please use this tool to indicate how much you'd like to give above and beyond your current regular giving.

MY COMMITMENT

Prayerfully consider what God is calling you to do to help us realize our vision. Our hope is that everyone at One Church will come together and be fully engaged in Next is Now.

MY REGULAR GIVING

KEEP UP THE GOOD WORK

Regular giving includes tithes and offerings which covers day to day expenses at One Church. Please share if you plan to start/continue giving regularly to One Church.

I plan to give to the ongoing ministries of One Church.
